

3-LETTER WORD CHOICE

Item #330

Activity:

1. Take a card from the stack that is placed face-down.
2. Identify the picture and segment the sounds.

FAN. /f/.. /a/.. /n/

3. Search for the word that says FAN, matching sounds to letters, starting with the word on the left, until you find the correct word.
4. Place the game piece in the circle above the answer.
5. Take another turn so the student clearly sees how you are playing the game—that you are starting with the picture, then finding the letters that match the sounds of that word.
6. Invite the student to take a turn and take additional turns as needed.
