

## 4-Letter Word Puzzles

### Item #341

Prerequisite: The student can segment spoken words with 4 phonemes.

Purpose:

- To match the sounds of a word to letters
- Phoneme segmentation practice
- Direct preparation for decoding

Activity:

1. Take a card from the stack that is placed face-down.
2. Identify the picture and segment the word into 4 phonemes.

*NEST.* /n/. /e/. /s/. /t/.

3. As you segment the word again, place translucent game pieces on the corresponding letters left to right.
4. Invite the student to take a turn and alternate turns as needed.
